**EXHIBIT D - INDIVIDUAL DEBTOR'S STATEMENT OF COMPLIANCE
CREDIT COUNSELING REQUIREMENT**

Warning: You must be able to check truthfully one of the five statements regarding credit counseling listed below. If you cannot do so, you are not eligible to file a bankruptcy case, and the court can dismiss any case you do file. If that happens, you will lose whatever filing fee you paid, and your creditors will be able to resume collection activities against you. If your case is dismissed and you file another bankruptcy case later, you may be required to pay a second filing fee and you may have to take extra steps to stop creditors' collection activities.

Every individual debtor must file this Exhibit D. If a joint petition is filed, each spouse must complete and file a separate Exhibit D. Check one of the five statements below and attach any documents as directed.

☒ 1. Within the 180 days **before the filing of my bankruptcy case**, I received a briefing from a credit counseling agency approved by the United States trustee or bankruptcy administrator that outlined the opportunities for available credit counseling and assisted me in performing a related budget analysis, and I have a certificate from the agency describing the services provided to me. *Attach a copy of the certificate and a copy of any debt repayment plan developed through the agency.*

☐ 2. Within the 180 days **before the filing of my bankruptcy case**, I received a briefing from a credit counseling agency approved by the United States trustee or bankruptcy administrator that outlined the opportunities for available credit counseling and assisted me in performing a related budget analysis, but I do not have a certificate from the agency describing the services provided to me. *You must file a copy of a certificate from the agency describing the services provided to you and a copy of any debt repayment plan developed through the agency no later than 14 days after your bankruptcy case is filed.*

☐ 3. I certify that I requested credit counseling services from an approved agency but was unable to obtain the services during the seven days from the time I made my request, and the following exigent circumstances merit a temporary waiver of the credit counseling requirement so I can file my bankruptcy case now. *[Summarize exigent circumstances here.]*

If your certification is satisfactory to the court, you must still obtain the credit counseling briefing within the first 30 days after you file your bankruptcy petition and promptly file a certificate from the agency that provided the counseling, together with a copy of any debt management plan developed through the agency. Failure to fulfill these requirements may result in dismissal of your case. Any extension of the 30-day deadline can be granted only for cause and is limited to a maximum of 15 days. Your case may also be dismissed if the court is not satisfied with your reasons for filing your bankruptcy case without first receiving a credit counseling briefing.

☐ 4. I am not required to receive a credit counseling briefing because of: *[Check the applicable statement.] [Must be accompanied by a motion for determination by the court.]*

- ☐ Incapacity. (Defined in 11 U.S.C. § 109(h)(4) as impaired by reason of mental illness or mental deficiency so as to be incapable of realizing and making rational decisions with respect to financial responsibilities.);
- ☐ Disability. (Defined in 11 U.S.C. § 109(h)(4) as physically impaired to the extent of being unable, after reasonable effort, to participate in a credit counseling briefing in person, by telephone, or through the Internet.);
- ☐ Active military duty in a military combat zone.

☐ 5. The United States trustee or bankruptcy administrator has determined that the credit counseling requirement of 11 U.S.C. § 109(h) does not apply in this district.

I certify under penalty of perjury that the information provided above is true and correct.

Re: Jack W Kegg & Brenda L Martin

In my professional opinion the subject property would sell for approximately \$123,000 (One Hundred Twenty Three Thousand Dollars). There are three sale comparables attached to this report that sold within the last three months, with in a 15% gross living area spread and within a one mile radius of the subject property. Therefore in my professional opinion the subject property would sell within the average range of sale comparables for approximately \$123,000 (One Hundred Twenty Three Thousand Dollars).

Blue Book Private Party Value

Kelley Blue Book Private Party Value is the amount a buyer can expect to pay when buying a used car from a private party. The Private Party Value assumes the vehicle is sold "As Is" and carries no warranty (other than any remaining factory warranty). The final sale price may vary depending on the vehicle's actual condition and local market conditions. This value may also be used to derive Fair Market Value for insurance and vehicle donation purposes.

Vehicle Condition Ratings

Excellent

\$13,410

- Looks new, is in excellent mechanical condition and needs no reconditioning.
- Never had any paint or body work and is free of rust.
- Clean title history and will pass a smog and safety inspection.
- Engine compartment is clean, with no fluid leaks and is free of any wear or visible defects.
- Complete and verifiable service records.

Less than 5% of all used vehicles fall into this category.

✓ Good (Selected)

\$12,760

- Free of any major defects.
- Clean title history, the paints, body, and interior have only minor (if any) blemishes, and there are no major mechanical problems.

- Little or no rust on this vehicle.
- Tires match and have substantial tread wear left.
- A "good" vehicle will need some reconditioning to be sold at retail.

Most consumer owned vehicles fall into this category.

Fair

\$11,610

- Some mechanical or cosmetic defects and needs servicing but is still in reasonable running condition.
- Clean title history, the paint, body and/or interior need work performed by a professional.
- Tires may need to be replaced.
- There may be some repairable rust damage.

Poor

N/A

- Severe mechanical and/or cosmetic defects and is in poor running condition.
- May have problems that cannot be readily fixed such as a damaged frame or a rusted-through body.
- Branded title (salvage, flood, etc.) or unsubstantiated mileage.

Kelley Blue Book does not attempt to report a value on a "poor" vehicle because the value of these vehicles varies greatly. A vehicle in poor condition may require an independent appraisal to determine its value.
